EDUCATION

BS in Software Engineering (Oct 2020 – Jul 2024)

University of Central Punjab (UCP, LAHORE)

PROFESSIONAL SUMMARY

Software Engineering graduate with hands-on experience in MERN stack and frontend development. Skilled in React.js, Node.js, Express.js, and MongoDB. Proficient in building full-stack applications with strong understanding of REST APIs, authentication, and state management.

SKILLS

Programming Languages: JavaScript

Frontend: HTML5, CSS3, Tailwind CSS, React.js, Angular

Backend: Node.js, Express.js

Database: MongoDB

Tools: Postman

TRAINING

MERN Stack Development (3 Months) — NAVTTC

Built full-stack apps using MongoDB, Express, React, Node.js. Developed REST APIs and integrated frontend-backend systems. Utilized Postman for API testing

---

PROJECTS

Employee Management System (React.js)

- Developed a role-based web application with Admin and Employee dashboards
- Implemented task assignment system and role-based access control
- Managed app state using React Hooks and persisted data in Local Storage

Gallery App (React.js, Axios)

- Built dynamic image gallery fetching data from external API
- Implemented pagination and optimized API calls with Axios

Notes App (React.js)

- Developed a note-taking app with features to add, and delete Notes
- Managed app state using React Hooks and stored data in Local Storage
- Designed a clean and user-friendly interface

Repair Buddies App (React Native, Node.js) (June 2023 – July 2024)

- Created a mobile app to connect users with technicians for repair services
- Integrated backend APIs for service request handling and user interaction
- Developed a user-friendly mobile interface with React Native

---

EXPERIENCE

Software Development Intern — Pure Logics (July 2025 – Sep 2025)

- Developed MEAN stack e-commerce application with authentication, product, and order modules
- Built and integrated REST APIs for backend functionality
- Worked in Agile environment with stand-ups and code reviews

---

INTERESTS

- Web Development
- Artificial Intelligence
